

Cancellation Policy

When booking an appointment, that time is reserved just for you. Please provide 24 hours notice when cancelling an appointment; less than that is inadequate time to offer your appointment time to others. Should you need to cancel your appointment with less than 24 hours notice, we respectfully reserve the right to charge the full amount of the session scheduled.

If you are late for your appointment, you will receive the balance of your time and be charged the full fee. Of course, we understand that sometimes unavoidable circumstances arise. Given that we value compassion and kindness, there are times when this policy may be waived, at your practitioners discretion.

We greatly appreciate your understanding.

Privacy Policy

Canada's Personal Information Protection and Electronic Document Act (PIPED) creates an enforceable right to privacy with respect to the collection, use and disclosure of personal information by private sector organizations.

Your personal information will not be released to any third party unless specific consent is obtained by you and documented in any files, or in such situations where we are legally obligated to supply the information to court/government or regulatory agencies as applicable.

Your information will be retained on file and used only for the purpose of which you have consented. Information is securely filed in the office filing cabinet.

After discussion of the treatment plan and mutual agreement, treatment may include the areas of the buttocks, chest or inner thigh if clinically indicated. You can alter or withdraw your consent at any time.
